ITEM NUMBER: **VII-1**

SUBJECT: RESOLUTION AMENDING PARKING FINES

DATE: March 3, 2009

RECOMMENDATION:

Adopt the resolution amending the City's fine schedule for parking violations attached hereto as Attachment 1.

BACKGROUND:

During the 2008 legislative year, the California State Legislature enacted two bills which require the City to collect new or increased penalty fees on behalf of the State and the County. The attached resolution would amend the City's Parking Fine Schedule to add the State surcharges.

ANALYSIS:

The enactment of Senate Bill 1407, amending Government Code § 70372, requires that the City remit a \$4.50 penalty for every parking offense where a parking penalty, fine, or forfeiture is imposed, in order to fund the State Court Construction Fund. This represents a \$3.00 increase over the penalties which were to be collected and remitted under Senate Bill 1732 enacted in 2002. The City's parking fine schedule was not updated to account for the original \$1.50 penalty established by Senate Bill 1732, so the penalties need to be increased by the full \$4.50 in order to allow the City to remit the required penalties.

Senate Bill 1498, amended Government Code § 76000 and requires that the City also remit \$2.50 for the Courthouse Construction Fund (GC § 76100) and \$2.50 for the Criminal Justice Facilities Construction Fund (GC § 76101) to the County.

These additional penalties are pass-throughs to the County and State. If the parking violation penalties are not increased, the City would still need to remit the additional amounts, thereby incurring loss of City revenue.

ALTERNATIVES CONSIDERED:

City Council could choose not to make the recommended change.

FISCAL REVIEW:

The Finance department will be required to remit the additional amounts to the county treasurer on a monthly basis.

LEGAL REVIEW:

The City Attorney's office has prepared the Resolution for City Council's consideration.

CONCLUSION:

The proposed Resolution prepared by the City Attorney is intended to increase the parking penalties so that the required pass-through amounts will not negatively impact the City's revenues. The City Attorney recommends that City Council adopt the Resolution.
